BACKGROUND INFORMATION

The potential conflicts information provided in this report and on the following pages is intended to be used as a means for each voting member to verify campaign contributions from their individual campaign records. The following information is considered to be complete only to the best knowledge that has been disclosed to staff by the following listed contractors and in many instances may not be complete as of the date of publication of the agenda. Staff will endeavor to provide updates and supplements to the disclosure information to the extent additional contractor disclosure information becomes known to staff at or prior to each particular meeting time.

In addition to other provisions of law which prohibit Inland Valley Development Agency (IVDA) Board members from having financial interests in the contracts of public agencies, the provisions of California Government Code Section 84308 prohibit individual IVDA Board members from participating in any Board proceeding involving a license, permit, or other entitlement for use pending before the Board, if the individual member has received a contribution of more than two hundred fifty dollars (\$250.00) within the preceding twelve (12) months or for three (3) months following any such Board proceeding, from any person, company or entity who is the subject of the proceeding or from any person who actively supports or opposes a particular decision in the proceeding and who has a financial interest in such decision, as defined in California Government Code Section 87103.

The restrictions of Government Code Section 84308 do not apply if the individual member returns the contribution within thirty (30) days from the time he or she knows, or should have known, about the contribution and the proceeding.

This agenda contains recommendations for action relative to the following contractors/principals and their respective subcontractors (as informed to IVDA staff by the Principals):

Agenda Item No.	Contractors/Tenants	Subcontractors/Subtenants						
There will be no items presented at this meeting relating to

- 1. California Government Code §§ 84308 and 87103
- 2. California Code of Regulations, Title 2, Division 6, §18438.5

- **84308**. (a) The definitions set forth in this subdivision shall govern the interpretation of this section.
- (1) "Party" means any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.
- (2) "Participant" means any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision, as described in Article 1 (commencing with Section 87100) of Chapter 7. A person actively supports or opposes a particular decision in a proceeding if he or she lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.
- (3) "Agency" means an agency as defined in Section 82003 except that it does not include the courts or any agency in the judicial branch of **government**, local governmental agencies whose members are directly elected by the voters, the Legislature, the Board of Equalization, or constitutional officers. However, this section applies to any person who is a member of an exempted agency but is acting as a voting member of another agency.
- (4) "Officer" means any elected or appointed officer of an agency, any alternate to an elected or appointed officer of an agency, and any candidate for elective office in an agency.
- (5) "License, permit, or other entitlement for use" means all business, professional, trade and land use licenses and permits and all other entitlements for use, including all entitlements for land use, all contracts (other than competitively bid, labor, or personal employment contracts), and all franchises.
- (6) "Contribution" includes contributions to candidates and committees in federal, state, or local elections.
- (b) No officer of an agency shall accept, solicit, or direct a contribution of more than two hundred fifty dollars (\$250) from any party, or his or her agent, or from any participant, or his or her agent, while a proceeding involving a license, permit, or other entitlement for use is pending before the agency and for three months following the date a final decision is rendered in the proceeding if the officer knows or has reason to know that the participant has a financial interest, as that term is used in Article 1 (commencing with Section 87100) of Chapter 7. This prohibition shall apply regardless of whether the officer accepts, solicits, or directs the contribution for himself or herself, or on behalf of any other officer, or on behalf of any candidate for office or on behalf of any committee.
- (c) Prior to rendering any decision in a proceeding involving a license, permit or other entitlement for use pending before an agency, each officer of the agency who received a contribution within the preceding 12 months in an amount of more than two hundred fifty dollars (\$250) from a party or from any participant shall disclose that fact on the record of the proceeding. No officer of an agency shall make, participate in making, or in any way attempt to use his

or her official position to influence the decision in a proceeding involving a license, permit, or other entitlement for use pending before the agency if the officer has willfully or knowingly received a contribution in an amount of more than two hundred fifty dollars (\$250) within the preceding 12 months from a party or his or her agent, or from any participant, or his or her agent if the officer knows or has reason to know that the participant has a financial interest in the decision, as that term is described with respect to public officials in Article 1 (commencing with Section 87100) of Chapter 7.

If an officer receives a contribution which would otherwise require disqualification under this section, returns the contribution within 30 days from the time he or she knows, or should have known, about the contribution and the proceeding involving a license, permit, or other entitlement for use, he or she shall be permitted to participate in the proceeding.

- (d) A party to a proceeding before an agency involving a license, permit, or other entitlement for use shall disclose on the record of the proceeding any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party, or his or her agent, to any officer of the agency. No party, or his or her agent, to a proceeding involving a license, permit, or other entitlement for use pending before any agency and no participant, or his or her agent, in the proceeding shall make a contribution of more than two hundred fifty dollars (\$250) to any officer of that agency during the proceeding and for three months following the date a final decision is rendered by the agency in the proceeding. When a closed corporation is a party to, or a participant in, a proceeding involving a license, permit, or other entitlement for use pending before an agency, the majority shareholder is subject to the disclosure and prohibition requirements specified in subdivisions (b), (c), and this subdivision.
- (e) Nothing in this section shall be construed to imply that any contribution subject to being reported under this title shall not be so reported.

CALIFORNIA CODES GOVERNMENT CODE SECTION 87103
