

# Inland Valley Infrastructure Corridor

En español

## Notification

The Draft Environmental Impact Report (EIR) for the Inland Valley Infrastructure Corridor (IVIC) was made available for a sixty-two (62) day public review period beginning August 20, 2024, and ending October 21, 2024.

The Final Environmental Impact Report (FEIR) is anticipated to be considered in December 2024 or January 2025. Comments received prior to the FEIR finalization will be accepted, and further comments received up until the Public Hearing at which the IVDA Board will consider the FEIR, will be part of the public record pursuant to the California Environmental Quality Act (CEQA).

For more information on IVIC and to review the Draft EIR and appendices, visit:
